This course will also prepare you for a more thorough Spanish 1 class when you wish to become more proficient in Spanish.

Registration fee (\$110) includes:

- Sixteen (16) hours of classroom instruction;
- Binder with all class materials;
- Access to online practice materials and resources.

Registration limited to the first 30 participants. Don't delay!

A former student says:

"The individualized attention received during the entire class made learning much easier and enjoyable. The interactive approach to learning immediately put me at ease and gave me confidence to use my new language skills outside of the class.

Pat's background in academics combined with her first hand knowledge of the Spanish culture provides a well balanced experience which is both informative and fun."~ Stephanie W.

Send in your completed registration form (bottom half of this sheet) with your check. Keep the top half as a reminder.
