

# The Twelve Days of Christmas

**Clues:** Listen to the song. Then print the words from top to bottom in the numbered columns. There is a special message for you from left to right at the arrows!

- |                                  |                                     |
|----------------------------------|-------------------------------------|
| 1. There are eight (8) of these. | 6. There are four (4) of these.     |
